ELIS SEIS- PO Modeling Report (DRAFT2: low res) (12Aug14).pdf

Hi Jeannie,

As discussed, I will send you two versions of the Modeling Report (Draft 2). both as clean copies (without comments and all edits accepted). Note that I changed 'Draft2' to 'Draft' throughout the report for the purpose of submitting it to the Coop Agencies (for future reference, the date on the internal cover of a report will be updated with each version, thus determining the version of the report).

1. Full resolution – without Attachments) (<10mb).
2. Full report with attachments, with reduced resolution of graphics. The reduction in resolution in the graphics is comparatively small (<10mB). It will be sent in a separate email in a minute.
